SEQIS is only able to provide the agreed Services, if the Customer ensures that all necessary cooperation obligations are fulfilled in a timely manner and free of charge and that all organizational prerequisites are met in the Customer's operation during the entire period in which SEQIS provides the Services. Compliance with the cooperation obligations is therefore a primary performance obligation on the part of the Customer.

6.3. Performance deadlines and dates can only be met if the Customer and third parties fulfill their cooperation obligations on time and, provided that no circumstances occur, which are beyond SEQIS' sphere of responsibility, which make SEQIS' performance difficult or impossible. Such circumstances as well as performance delays and cost increases due to incorrect, incomplete or subsequently changed data and information or documents provided by Customer, are not attributable to SEQIS and cannot lead to default on the part of SEQIS. Any additional costs in this respect shall be borne by the Customer. If SEQIS has to interrupt the performance of Services without SEQIS being responsible for this, SEQIS shall be entitled to charge an appropriate fee for the interruption period.

6.4. If SEQIS anticipates circumstances that could prevent SEQIS from performing on time or in the agreed quality, SEQIS shall notify the Customer.
